OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 12 September 1962

1.

[Redacted]

2.

[Redacted] Robert Downer, Department of State, called to say that Senator Warren G. Magnuson had contacted the Department regarding a geophysical study which was being conducted by [Redacted]. The study is being conducted as part of an agreement between the University of Washington and the government of Mexico. The [Redacted] have apparently gotten into some difficulty in Mexico and Downer was inquiring as to whether we had any interest in this project. After checking with PH Division and GO Division, I advised Downer that while we were aware of what the [Redacted] were doing, a preliminary check indicated that we had no interest in their activity.

3.

[Redacted] General Carter, together with representatives from EOD and State Department, appeared before the Joint Committee of House Armed Services and House Foreign Affairs. See Memorandum for the Record.

4.

[Redacted] Delivered to Boyd Crawford, House Foreign Affairs Committee, a blind memorandum pertaining to his query [Redacted]. See Journal of 11 September 1962.
